Re: AEP Energy, Inc.'s Application for Reduction in Security and Change in Security
Instruments, Docket No. A-2009-2132755

Dear Ms. Chiavetta:

On August 19, 2014, AEP Energy, Inc. ("AEP") filed an Application for Reduction in Security and Change in Security Instruments. At that time, AEP sought a 5% reduction in its required security and Staff approval to change its security instrument from a bond to a parental guarantee. After further consideration, AEP withdraws its request to change its security instrument to a parental guarantee. AEP requests that Staff move forward with approval of its request for a 5% reduction in security.

Please feel free to contact me if you have any questions regarding this revised request.

Sincerely,

Sarah C. Stoner
