PECO ENERGY COMPANY	:	

MOTION FOR CONTINUANCE OF HEARING DATE

PECO Energy Company ("PECO") and Robert Barone ("Complainant"), pursuant to 52 Pa. Code § 1.15(b), hereby request a continuance of the hearing date scheduled in this matter as follows:

1. A telephonic hearing for this matter is currently scheduled to take place on Friday, September 25, 2015 at 10:00 a.m.
2. The Complainant alleges in his formal complaint there are underground cable faults on his line that have caused him property damage.
3. At the hearing, PECO will present the testimony of Engineer, Dan Loveland who investigated the underground cable fault concerns raised by the Complainant.
4. PECO will also present the testimony of Regulatory Assessor, Michael Begley.
5. Both Mr. Loveland and Mr. Begley are unavailable Friday, September 25th due to a prescheduled vacation day and a wedding.
6. PECO contacted Mr. Barone regarding PECO's continuance request and Mr. Barone advised that he joins in PECO's motion. Mr. Barone will be away on vacation on September 25th and not available for the hearing.
7. As two PECO witnesses and the Complainant are not available for the September 25th hearing, PECO and the Complainant jointly request a continuance of this matter.

8. The company has been in communication with Mr. Barone and it is anticipated that with additional time, this case may resolve.

9. PECO Energy and the Complainant therefore respectfully request that the hearing be continued to a further date.

Respectfully Submitted,
