RE: Greenlight Energy, Inc.

Dear Mr. Hartofilis:

Thank you for submitting your Retail Access Application Package to become an Energy Services Company (ESCO) serving residential and nonresidential gas and electric customers in New York State. This letter is to inform you that documentation submitted in your application package has been reviewed by Staff and established to be in compliance with the New York State Public Service Commission's ESCO eligibility requirements that are implemented by codes and regulations found in the Uniform Business Practices, the Home Energy Fair Practices and other applicable regulations.

I am also pleased to notify you that Greenlight Energy, Inc. has successfully met the Commission's EDI Phase I certification requirements for Core and Utility Rate Ready Transactions effective May 22, 2009. All requirements therefore, for this initial stage of your eligibility determination have been satisfied.

Please be advised that you may now continue with the utility approval stage of the eligibility process by contacting those companies in whose service territories you intend to participate. The utility stage normally consists of a creditworthiness determination, completion of Phase III EDI testing and the execution of any operating or billing service agreements. Please note that each utility's eligibility requirements pertain to only their retail access programs.

Once you have satisfactorily completed the utility eligibility stage, Staff will be notified by the utility of your success. It would be helpful if Greenlight Energy, Inc. notified Staff of the actual production date in the utility service territories you intend to enroll customers. At that point I will confirm that your final eligibility requirements have been satisfied.

PLEASE NOTE: Section 601 of the Tax Reform Code of 1971 includes limited liability companies and business trusts in the definition of a corporation for capital stock/foreign franchise tax purposes, regardless of how an entity files with the Internal Revenue Service (IRS). Under Section 401, any entity that elects to file as a corporation with the IRS is subject to corporate net income tax. In the case of limited liability companies and business trusts, this determination will be made upon review of the PA Corporation Tax Report.

Pay particular attention to the month your business or fiscal year ends for the following reasons:

- For most taxes, the annual report must be filed within 105 days after the close of the tax year.
- For capital stock/foreign franchise, corporate net income and mutual thrift taxes, the first quarterly estimated payments are due within 75 days following the incorporation/authority date.
- A federal sub-chapter S corporation desiring not to be taxed as a PA S corporation is required to file form REV-976 on or before the due date or extended due date of the first tax period for which it is to be in effect. REV-976 is available at www.revenue.state.pa.us.
