Dear Sec. Chiavetta,

Please see the attached email from David Canzoneri at the PUC in regards to our recent filing to adjust our shares of member at Poseidon Seafood Company LLC. After his discussion with him it has been decided that all that needs to be done with our membership is to notify the PUC of the changes. As stated in prior letters and emails the only change that has occurred here is a change in members. We have gone from three equal owners to two equal partners. Eddie Segovis is the only member that needs to be removed from our membership.

We appreciate all the help with this situation and resolving it.

Any questions or concerns please see the highlighted email addresses in the attached letter in regards to the refund of our new filing fees.

Thank you,

Cory Parsons

In regards to our phone conversation I would write something like:

Dear Sec. Chiavetta,

After talking with the Commission I was given the impression that I needed to amend my property authority to reflect a consolidation of shares of the members of our LLC, as such I recently applied to amend my property authority. After speaking with the specialist handling my case, I was informed that it was not actually a change of ownership, and that I only needed to inform the Commission as to the change in shares. I am requesting that you please refund the application fee for A-2015-2500337.

You can send it to:

If you have any other problems let me know, and again sorry for the confusion.
