Re: Extension Request for PUC number A-6417514 and/or A-2015-2474734

To Whom It May Concern:

Hello my name is Frank Ryder, Owner/CEO of Ryder Transit. I received a letter dated July 20, 2015 for additional paperwork to complete our Paratransit (PUC) license. Our due date to send all paperwork back to Commonwealth of Pennsylvania is around September 20, 2015. I'm asking for a extension due to some family issues I have been having with my mother, Actually most of my time has been helping my mother out and a lot of my time just went towards my mother. Everything is coming along much better, but our due is coming close and I unable to have everything completed and send to you by the due date. I'm asking for a 60 day extension to have all paperwork completed and turn in. I didn't want to get too personal but I wanted to be honest with you. I hope you can grant me an extension so I can get business started and move on to the next level of the process.

Thank you so much for you time
