RE: Correction of Financial Instrument
HealthTrust Purchasing Group LP
License Number A-2009-2145163

Dear Ms. Sanchez:

Please find under cover of this letter the Continuation Certificate recently filed by your company with the Pennsylvania Public Utility Commission as part of a supplier's license requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

While the Commission requires a supplier to file an original bond, letter of credit, continuation certificate, amendment, or other financial instrument, it also requires that the name of the principal on the financial instrument match exactly with the name of the company licensed by the Commission.

The Continuation Certificate you filed does not reflect the correct name of your company according to the Commission's records or your registration with the Pennsylvania Department of State. The Certificate should read "HealthTrust Purchasing Group LP" but instead the LP is omitted from the Certificate. The LP designation is also missing from the original Bond No. 08971978. This is unacceptable and must be corrected. You may file a bond rider to correct the name on your Original Bond Number 08971978, or you may refile a corrected, original Continuation Certificate.

If you wish to change the name of your company by omitting the LP designation, then you must file such changes with the Pennsylvania Department of State and the Commission immediately. Only then would the current Continuation Certificate be acceptable.

Therefore, please correct this discrepancy with my office within 20 days of the date of this letter, preferably by overnight delivery.

Sincerely,

Rosemary Chiavetta
Secretary of the Commission
