Attn: Ron Hull, P.E.

FROM: Len Nardone 
District 6-0, Railroad Coordinator

This letter is in reference to the above CSX applications for their clearance improvement project in Delaware and Philadelphia counties. These four applications carry state roads over the railroad.

The District has reviewed the general plan and geotechnical evaluation report prepared for the project. Please be advised that PennDOT takes no exception to the work as proposed.

If here are any questions, please contact me at (610) 768-3051.
