SECRETARY'S BUREAU

Dear Secretary Chiavetta,

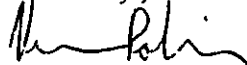

Today I received a correspondence from the Pa. Public Utility Commission. In the envelope was a letter from you and an initial decision from ALJ Mark A. Hoyer—the initial decision concerning my case C-2013-2343289. The letter was informing me that I had **twenty** days from the date of the letter to file my exceptions to the initial decision. The date of the letter was September 1, 2015. The postmark on the envelope is Sept. 16.

As you can see, with the postmark on the envelope being Sept. 16th and coming from Central Pennsylvania, there was no way that I would receive the judge's initial decision or your letter in time for me to be able to file the exceptions. Matter of factly, I've been put at a disadvantage because if the letter was dated September 1st and it wasn't even sent out until the 16th, the amount of time that it takes to get here is irrelevant.

I am writing this letter to ask if you could remedy this situation so that I could file my exceptions with the Commission. If you can't, whom can I write to remedy this situation? Again, I have the copy of the letter and the postmark on the envelope. I am not sure if this has any relevance at all, but the Initial Order dated August 20, 2015 is not even signed by ALJ Mark A. Hoyer.

I hope to hear from you soon concerning this issue.

Sincerely,

Vernon Robinson
