RE: Trego Excavating Inc Docket NO. C-2015-2502797

Dear Ms. Chiavetta,

Our insured has been charged with failure to maintain evidence of insurance on file with the commissioner. On August 30, 2015 we renewed Trego Excavating's auto insurance with a new carrier, American Auto Insurance Co. As part of the renewal policy they made the filing with the FMCSA under number MC-751367. We have been assured by the program manager for the insurance policy that all the correct filings have been made on behalf of Trego Excavating, Inc.

I am attaching copies of the evidence of filing provided by the insurance carrier and also evidence from the Saferweb website evidencing the same

It is our understanding that when these filings are made they also satisfy the State of PA requirement.

As you can see our insured has not had any lapse in their insurance coverage and that the necessary filings have been made.

We ask that they complaint be withdrawn and any penalty or fees waived.

If you have any question, please don't hesitate to give me a call.

Very truly yours,

Kevin J Dougherty  
President.
