Re: 2007 Biennial NMP Implementation Update Reports for all PA Rural  
Telecommunications Carriers and Verizon North Inc. due March 31, 2007 –  
corrections to downloaded form

Dear Mr. Adamson,

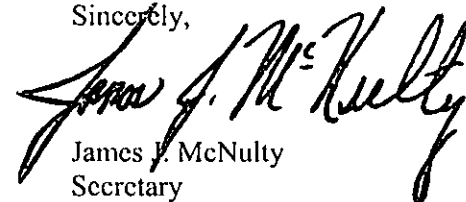

In a prior Secretarial Letter we reminded you that “you are required to report your company’s progress in meeting its NMP commitments ...”

Furthermore, we stated that “[a] report template and blank status sheets are available to aid your company in reporting its NMP progress. These blank documents are ... available for download from the PUC Web Site at [www.puc.state.pa.us/general/onlineforms.aspx](http://www.puc.state.pa.us/general/onlineforms.aspx).” and that the filing due date is March 31, 2007.

It has since come to our attention that a column heading on one of these forms has been mislabeled. We ask you to please replace the column heading “Status at Time of Amended NMP” (sometime in 2005) with one that reads “Status at Time of Original NMP” (circa 1995-1998) on the downloaded Key Plan Components form.
