Re: Verizon North Incorporated
Revised Amended Chapter 30 Plan

Dear Mr. Weigel:

On June 20, 2005, Verizon North Incorporated filed its Amended Chapter 30 Plan. The filing was made in compliance with Act 183 of 2004 and with the Commission Order at the instant docket number, entered May 20, 2005.

Commission Staff has reviewed the filing, and further investigation does not appear to be warranted at this time. This, however, does not constitute a determination that the Revised Amended Chapter 30 Plan is just, lawful, and reasonable but only that further investigation does not appear to be warranted at this time. This action is without prejudice to any formal complaints timely filed against this tariff revision.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code §5.44, file a petition with the Commission within 10 days of the date of this letter. If you have any questions in this matter, please contact Lou Samsel of the Telecommunications Industry Group in the Bureau of Fixed Utility Services at (717) 787-5164.

Sincerely,

James J. McNulty
Secretary
