SECRETARY'S BUREAU

Dear Steve Egger:

We are pleased that Lakepoint Energy LLC has applied for a license to provide Natural Gas Broker/Marketer Services on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, Lakepoint Energy LLC could be required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate. Lakepoint Energy LLC has indicated only brokering and consulting services will be provided. Therefore, we have determined at this time that Lakepoint Energy LLC does not need a bond or other financial security requirement to provide broker natural gas services to Columbia Gas customers.

If the creditworthiness requirement or Columbia Gas' exposure to Lakepoint Energy LLC changes in the future, Columbia Gas might deem it appropriate to require Lakepoint Energy LLC to provide a bond or other financial security instrument.

Please feel free to contact me at 614-460-6841 should you have any questions regarding a bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Michele Caddell

Re: Bonding Requirements

Dear Steve Egger:

PECO is aware that LakePoint Energy LLC has applied for a license to provide brokering and consulting services to commercial and industrial customers on the distribution system of PECO.

In making such an application, LakePoint Energy LLC could be required to provide to PECO a bond or other acceptable financial security in an amount that PECO determines to be appropriate. LakePoint Energy LLC has indicated that it intends to provide only brokering and consulting services to commercial and industrial customers will not take title to any delivered natural gas; nor will accept any customer payments or deposits. Therefore, PECO has determined at this time that LakePoint Energy LLC does not need a bond or other financial security requirement, since they are not directly engaging in business with PECO and only providing brokering or consulting services to PECO customers. However, if the services provided by LakePoint Energy LLC or the creditworthiness requirement for PECO's exposure to LakePoint Energy LLC changes in the future, PECO reserves the right to require LakePoint Energy LLC to provide a bond or other financial security instrument.

If you should have any questions regarding this matter, please contact Chris Sauerbaum at 215-841-6422 or myself at 215-841-6452.

Re: Security Requirement Bond – LakePoint Energy, LLC

Dear Mr. Egger:

Philadelphia Gas Works ("PGW") is aware that LakePoint Energy, LLC has filed an application with the Pennsylvania Public Utility Commission to supply natural gas services to the public in Pennsylvania and specifically within the services territory of Philadelphia Gas Works.

As you know, in making such an application, LakePoint Energy, LLC must furnish acceptable security to each utility where LakePoint Energy, LLC will do business. As such, under its tariff, Philadelphia Gas Works could require LakePoint Energy, LLC to provide a bond or other financial security instrument in an amount that Philadelphia Gas Works determines to be appropriate.

However, you have indicated, and it is Philadelphia Gas Works' understanding, that LakePoint Energy, LLC intends only to provide natural gas aggregating, brokering and consulting services at this time. You have stated that, in performing these services, LakePoint Energy, LLC will never take title to any delivered natural gas.

Based upon your representations, Philadelphia Gas Works has determined that, at this time, LakePoint Energy, LLC does not need to post a bond or other form of security to operate in its service territory. If the services provided by LakePoint Energy, LLC should change, Philadelphia Gas Works reserves the right to require security from LakePoint Energy, LLC as it deems appropriate.

If you have any questions concerning the foregoing, please contact me at (215) 684-6278.

RE: LakePoint, LLC application to serve as a Natural Gas Broker

Dear Mr. Egger,

Based on your assertion that LakePoint Energy, LLC ("LAKEPOINT") is applying with the State of Pennsylvania to operate as a natural gas broker/marketer, UGI Utilities Inc. ("UGIU") has concluded that LAKEPOINT will not need to post security with UGI-Central Penn Gas ("CPG"), UGI-Penn Natural Gas ("PNG") or UGI Utilities Gas Division ("UGI"). This is based on the declaration that LAKEPOINT will not be taking title to gas or directly serving end use customers. This also assumes that LAKEPOINT will be acting in conjunction with a licensed Natural Gas Supplier who has been approved by the Pennsylvania Public Utility Commission to serve in the applicable UGIU service territories and who has posted the required financial security as specified in the respective UGIU tariffs. If LAKEPOINT wishes to directly serve Choice customers in the service territories of UGI, PNG and/or CPG in the future as a natural gas supplier, it will have to post security as specified in the respective UGI tariffs prior to the commencement of the service.

Please feel free to contact me with any additional questions that you may have.

David E. Lahoff
