ORDER CLOSING THE RECORD

First Interim Order issued December 8, 2005 granted Mr. Johnson's request to mail to me and counsel for Verizon Select Services, Inc. (VSSI) certain telephone bills. I was to receive from Mr. Johnson, on or before December 16, 2005, telephone bills of Loretta Sturdivant for telephone calls which are the subject of this proceeding. First Interim Order directed that an order would be issued closing the record if I did not receive the telephone bills by the due date. I have not received telephone bills from Mr. Johnson as of this date. Accordingly, the order below closes the record in this proceeding.

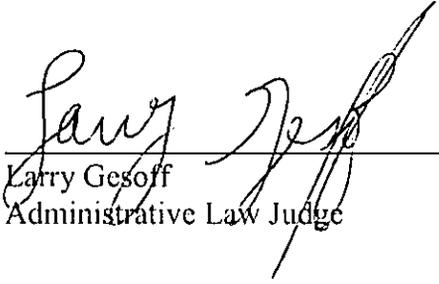

THEREFORE,

DOCKETED
FEB 9 2006

IT IS ORDERED:

That the record of this proceeding is closed effective on this date.

Dated: December 19, 2005
