Re: Borough of Tamaqua vs. Reading, Blue Mountain & Northern
Railroad Co.; Docket No. C-00992533

Dear Mr. Bowe:

On June 22, 2000, a "Petition For Order To Show Cause" was filed by your office on behalf of the Borough of Tamaqua. The relief requested was that the Reading, Blue Mountain and Northern Railroad Co. immediately submit detailed construction plans as set forth in the Commission's Order entered March 20, 2000. A review of the record indicates that the Reading, Blue Mountain and Northern Railroad Co. filed the plans in question on July 5, 2000.

Based upon the foregoing, the Petition has been deemed moot and the Commission will take no further action upon it.

Very truly yours,

James J. McNulty
Secretary
