RE: Duryea Borough vs. Reading Blue Mountain and Northern Railroad,  
Delaware and Hudson Railway Company, PENNDOT and Luzerne  
County Docket No: C-00992585

Dear Judge Kashi:

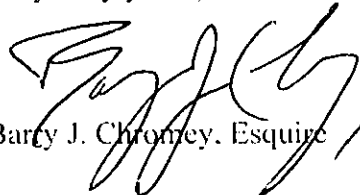

As you may recall, I represent Duryea Borough in the above captioned matter. By your Order, dated November 3, 2000, the record was closed in this matter.

At the request of Duryea Borough Council, I am writing this letter concerning the status of this matter. The original complaint was filed over three (3) years ago by the Borough, which was prompted to act by a grave concern for the threat to public health and safety posed by the condition of the railroad tracks at issue.

As of this date, no decision has been rendered by your office. Due to the on-going threat to public safety, I respectfully request that you review this matter and issue a determination at your earliest convenience.

Thank you for your attention to this matter.

Very truly yours,

  
Barry J. Chromey, Esquire

Dear Mr. Chromey:

Thank you for your letter of June 28, 2001 in which you call to my attention the need for a decision in the above-captioned matter.

I was hospitalized in March, 2001 and just had cataract surgery June 13, 2001. This is not offered as an excuse, there never is any, but in the way of explanation.

Very truly yours,

George M. Kashi
