Subject: Interim Order: re: C-20066245

Mediator Bigelow: In reference to the above order in the above case number, I do not wish to pursue the matter. A Penelec engineer and I have established a good working relationship and some improvement is already apparent. If Penelec had a better response earlier it would not have been necessary to file a complaint! And, frankly, my wife and I find the formalized process for rectifying problems extreme and intimidating. Jack D. Lawrie
