Dear Secretary Chiavetta:

On October 26, 2015, GDF SUEZ Retail Energy Solutions, LLC d/b/a Think Energy ("Think Energy") filed the above-referenced natural gas supplier license Application with the Pennsylvania Public Utility Commission ("Commission"). Attached as a supplement to the Application is a copy of a bond letter from National Fuel Gas Distribution Corporation ("NFGD") regarding its financial security and bonding requirements for Think Energy to provide natural gas supplier services in NFGD's service territory. The bond letter is marked as **Supplemental Attachment 5** to Think Energy's Application and is filed as part of Application Section 7.a. Financial Fitness, Bonding.

With this supplemental filing, Think Energy believes it has provided all of the necessary information required to facilitate the Commission's review of its Application. Think Energy proposes to actively market within the Commonwealth beginning February 1, 2016 and respectfully requests expedited review and consideration of its Application so that a decision can be made by the Commission at its December 17, 2015 or January 14, 2016 public meeting.

Thank you for your attention to this matter.

Very truly yours,

John F. Povilaitis

RE: Security Requirement GDF SUEZ Retail Energy Solutions, LLC d/b/a Think Energy

Dear Ray,

Pursuant to 66 Pa. C. S. § 2208 (c), an applicant for a natural gas supplier license in the Commonwealth of Pennsylvania must furnish security to each utility where the supplier will do business to ensure the financial responsibility of such natural gas supplier. To this end, National Fuel Gas Distribution Corporation (“National Fuel”) will perform a credit review and analysis of GDF SUEZ Retail Energy Solutions, LLC d/b/a Think Energy (“TE”) and determine at the appropriate time whether TE must post a security deposit acceptable to National Fuel in order to operate as a supplier on National Fuel’s system.

TE’s security requirement to serve Pennsylvania customers is dependent on the type of transportation service utilized by TE. There is no Natural Gas Supplier (NGS) security requirement for customers that will be enrolled in National Fuel’s Purchase of Receivable (POR) program. As such, TE will not be required to post security for customers enrolled in the POR program. A security deposit will be required for transportation customers not enrolled in the POR program.

Should you have any questions concerning the above, please contact me at 716-857-7599.

Yours truly,

Nathan E. Barnes
