RE: Docket No. A-111144 - Dispatch Trucklines, Inc.

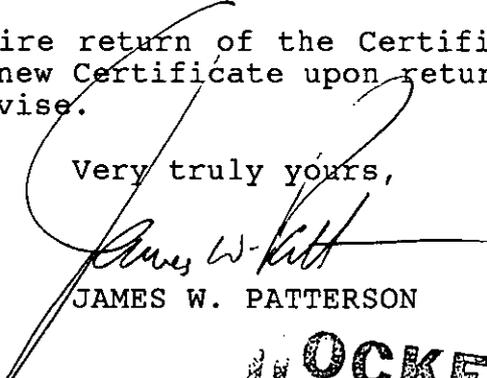

Dear Secretary Alford:

This will serve to advise you that the Certificate of Public Convenience issued January 13, 1995 to the above carrier misspells the carrier's name -- Trucklines is spelled "Truckline", without the "s". All previous filings and Commission notices including the Commission's Order of June 16, 1994 contained the proper spelling of the carrier's name.

I suspect this is not a serious matter. Please keep a copy of this letter in the carrier's file with an indication that the difference has been noted and regarded by your office as inconsequential.

On the other hand, if you require return of the Certificate for endorsement or wish to issue a new Certificate upon return of the one in my possession, please advise.

Very truly yours,

 JAMES W. PATTERSON
