Re: Five (5) existing structures carrying various highways above the grade of the Canadian Pacific Railroad in Great Bend Township, New Milford Township, Brooklyn Township, Hop Bottom Township, and Lathrop Township, Susquehanna County

Dear Ms. Chiavetta,

Please be advised that we are in receipt of the Administrative Order of April 9, 2015, entered by the PUC in the above-referenced matter, wherein Susquehanna County was made a party thereto.

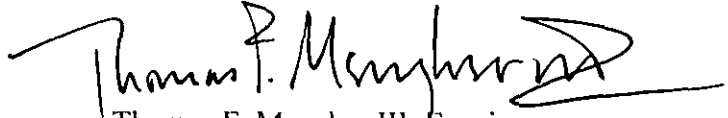

Susquehanna County objects to its inclusion as a party in this matter for the following reasons:

1. We were not invited to participate in the field investigation held on November 8, 2012;
2. The bridges in question are owned by PennDOT, and not Susquehanna County; and
3. Susquehanna County has no history of performing maintenance or other work to the bridges in question.

Therefore, Susquehanna County demands that it be removed as a party to this matter.

Very truly yours,
