**INSTRUCTIONS TO BE FOLLOWED IN PREPARING APPLICATION****No Application will be Accepted from a Minor**

1. This application is to be used for authority to transport property, except household goods, between points in Pennsylvania. All applications will be considered for authority to operate as common carriers.
2. The original application signed at the place designated and one copy of same must be filed at the office of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, Pa. 17105-3265. A filing fee of One Hundred Dollars (\$100.00) is required and shall be paid by certified check or money order, made payable to the Commonwealth of Pennsylvania. The filing fee is non-refundable after the application has been received and accepted by the Commission.
3. All corporate names and fictitious trade names must be registered with the Pa. Department of State. A Certificate of Incorporation is issued to a Pa. Corporation - a Certificate of Authority is issued to a non-Pa. (foreign) corporation. Call the Department of State at (717) 787-1057 for more information.
4. If space provided on form is not sufficient, prepare on separate sheet, attach it to application and give it the same number as question or statement to which it refers.
5. Procedure. All acceptable applications will be noticed in the Pennsylvania Bulletin with a 14 day public comment period. If no adverse comments are received, a compliance order will be issued. If adverse comments are received, the application may be referred to an Administrative Law Judge for hearing and initial decision. If adverse comments are filed and the matter is not referred for hearing, the application will be decided by the Commissioners at Public Meeting. In no event will an application be denied based upon adverse safety comments without the opportunity for a hearing on those issues being provided. It is not required that applicant be represented by an attorney to file the application. However, a corporation or partnership must be represented by an attorney at a hearing.
6. Prior to beginning operations, you must submit acceptable evidence of insurance to the PUC. Acceptable evidence of insurance is a **Form E** for bodily injury and property damage liability coverage (\$300,000 minimum) and a **Form H** for cargo liability coverage (\$5,000 minimum). These forms are forwarded to the PUC by your insurance company and must reflect the **exact name and address appearing on lines 1 and 3 (or 4) of the application.**
7. Recognizing that your insurer may delay filing the necessary forms, you may file temporary proof of insurance to begin operations. Acceptable temporary proofs of insurance are:
  - A copy of the insurance identification card (for vehicles registered in Pennsylvania only);
  - A copy of the declaration page of the insurance policy;
  - A copy of a valid binder of insurance; or
  - A copy of a valid application for insurance to the Pennsylvania Automobile Insurance Plan.

8. Enclose with your application a copy of a current safety rating issued by a state or federal agency. If you cannot provide the PUC with proof of a current safety rating from the U.S. DOT or another state with safety regulations comparable to Pennsylvania, you must complete a safety fitness review conducted by a Commission Enforcement Officer.

Within 180 days after the entry date of a compliance order granting you operating authority, an Enforcement Officer will contact you to schedule this review. If it is determined that your safety rating is unsatisfactory, you will be directed to correct any deficiencies found and be subjected to a second safety fitness review to be scheduled within 60 days after the initial notification date. Failure to achieve a satisfactory rating at the second review will result in immediate suspension of your certificate and continued non-compliance may result in revocation of the certificate.

**NOTE: INCOMPLETE APPLICATIONS ARE NOT ACCEPTABLE FOR FILING AND WILL BE RETURNED. IF YOU NEED HELP, CALL 717-787-3834.**

OMB No. 2125-0074

Issued to T.S. Expediting Services, Inc. of P.O. Box 307, Perrysburg, Ohio 43551  
24651 Center Ridge Road

Dated at Westlake, Ohio 44115 this 3rd day of November, 1994

Amending Policy No. CK03401683 Effective Date 10/17/94

Name of Insurance Company St. Paul Fire and Marine Insurance Company

Telephone Number ( 216 ) 899-2300 Countersigned by [Signature]  
Authorized Company Representative

The policy to which this endorsement is attached provides primary or excess insurance, as indicated by "", for the limits shown:

- This insurance is primary and the company shall not be liable for amounts in excess of \$ 1,000,000 for each accident.
- This insurance is excess and the company shall not be liable for amounts in excess of \$ \_\_\_\_\_ for each accident in excess of the underlying limit of \$ \_\_\_\_\_ for each accident.

Whenever required by the Federal Highway Administration (FHWA) or the Interstate Commerce Commission (ICC), the company agrees to furnish the FHWA or the ICC a duplicate of said policy and all its endorsements. The company also agrees, upon telephone request by an authorized representative of the FHWA or the ICC, to verify that the policy is in force as of a particular date.

Cancellation of this endorsement may be effected by the company or the insured by giving (1) thirty-five (35) days notice in writing to the other party (said 35 days notice to commence from the date the notice is mailed, proof of mailing shall be sufficient proof of notice), and (2) if the insured is subject to the ICC's jurisdiction, by providing thirty (30) days notice to the ICC (said 30 days notice to commence from the date the notice is received by the ICC at its office in Washington, D.C.).

**DEFINITIONS AS USED IN THIS ENDORSEMENT**

**ACCIDENT** includes continuous or repeated exposure to conditions which results in bodily injury, property damage, or environmental damage which the insured neither expected nor intended.

**MOTOR VEHICLE** means a land vehicle, machine, truck, tractor, trailer, or semitrailer propelled or drawn by mechanical power and used on a highway for transporting property, or any combination thereof.

**BODILY INJURY** means injury to the body, sickness, or disease to any person, including death resulting from any of these.

**ENVIRONMENTAL RESTORATION** means restitution for the loss,

damage, or destruction of natural resources arising out of the accidental discharge, dispersal, release or escape into or upon the land, atmosphere, watercourse, or body of water, of any commodity transported by a motor carrier. This shall include the cost of removal and the cost of necessary measures taken to minimize or mitigate damage to human health, the natural environment, fish, shellfish, and wildlife.

**PROPERTY DAMAGE** means damage to or loss of use of tangible property.

**PUBLIC LIABILITY** means liability for bodily injury, property damage, and environmental restoration.

The insurance policy to which this endorsement is attached provides automobile liability insurance and is amended to assure compliance by the insured, within the limits stated herein, as a motor carrier of property, with Sections 29 and 30 of the Motor Carrier Act of 1980 and the rules and regulations of the Federal Highway Administration (FHWA) and the Interstate Commerce Commission (ICC).

In consideration of the premium stated in the policy to which this endorsement is attached, the insurer (the company) agrees to pay, within the limits of liability described herein, any final judgment recovered against the insured for public liability resulting from negligence in the operation, maintenance or use of motor vehicles subject to the financial responsibility requirements of Sections 29 and 30 of the Motor Carrier Act of 1980 regardless of whether or not each motor vehicle is specifically described in the policy and whether or not such negligence occurs on any route or in any territory authorized to be served by the insured or elsewhere. Such insurance as is afforded, for public liability, does not apply to injury to or death of the insured's employees while engaged in the course of their employment, or property transported by the insured, designated as cargo. It is understood and agreed that no condition, provision, stipulation, or limitation contained in the policy, this endorsement, or any other endorsement thereon, or violation

thereof, shall relieve the company from liability or from the payment of any final judgment, within the limits of liability herein described, irrespective of the financial condition, insolvency or bankruptcy of the insured. However, all terms, conditions, and limitations in the policy to which the endorsement is attached shall remain in full force and effect as binding between the insured and the company. The insured agrees to reimburse the company for any payment made by the company on account of any accident, claim, or suit involving a breach of the terms of the policy, and for any payment that the company would not have been obligated to make under the provisions of the policy except for the agreement contained in this endorsement.

It is further understood and agreed that, upon failure of the company to pay any final judgment recovered against the insured as provided herein, the judgment creditor may maintain an action in any court of competent jurisdiction against the company to compel such payment.

The limits of the company's liability for the amounts prescribed in this endorsement apply separately, to each accident, and any payment under the policy because of any one accident shall not operate to reduce the liability of the company for the payment of final judgments resulting from any other accident.

The Motor Carrier Act of 1980 requires limits of financial responsibility according to the type of carriage and commodity transported by the motor carrier. It is the MOTOR CARRIER'S obligation to obtain the required limits of financial responsibility.
