The Protestant above-named, supplying common carrier services for the transportation of property within the territory covered by the above-entitled application, by means of motor vehicle, hereby protests approval of the application above referred to, among others, for the following reasons:

1. The application prayed for is not necessary or proper for the service, accomodation, convenience or safety of the public.
2. The application prayed for, if granted, would authorize a service which would be unnecessary and destructively competitive with rights, powers and privileges now being exercised by Protestant or which Protestant authorized to exercise.

A restriction to the application would be acceptable if transportation within the respective areas of the Protestant's rights were eliminated.

WHEREFORE, Protestant respectfully prays that the application be dismissed.
