Re: Petition of Liberty Power Holdings, LLC to Revise Its Required Level of Financial Security, Docket No. A-110175

Dear Secretary Chiavetta:

On October 5, 2015 Liberty Power Holdings, LLC ("Liberty Power") filed for a reduction in its required security to operate as a licensed electric generation supplier in Pennsylvania (License No A-110175). This letter is in response to Staff data requests issued to Liberty Power on October 26, 2015. While a Certificate of Service was filed with Liberty Power's Petition, Staff has indicated that it would also like Liberty Power to serve a copy of the Petition on the Commission's Bureau of Investigation and Enforcement and the Department of Revenue. Attached is a Certificate of Service evidencing Liberty Power's compliance with Staff's request. Staff also requested that Liberty Power provide a tax status letter from the Department of Revenue. As indicated in its Petition, Liberty Power requested the tax status letter on September 3, 2015 but has not yet received the letter. Upon receipt of the tax status letter, Liberty will supplement its Petition.

If you should have any questions regarding this filing, please feel free to call me at 717.237.6026.

Sincerely,

Sarah C. Stoner
