Dear Mr. Smith:

In a letter dated June 27, 1995, the Pennsylvania Public Utility Commission notified you that your operating authority was approved. You were also advised within that letter, that you must submit to a safety fitness review within 180 days.

Your review has been assigned to the Altoona District Office. An officer from that Office has been unable to contact you at either the telephone number, or the physical location which you listed on your application.

Please immediately contact the Altoona District Office at 814-946-7318, in order to schedule the safety fitness review. The review must be completed by December 27, 1995, or your Certificate of Public Convenience will be cancelled.

If you have any questions, please contact the Altoona District Office, or you may call me at 717-772-2254.

Sincerely,

*Michael E. Hoffman*
