Dear Mr. Tayoun:

Under date of November 5, 1990, the Secretary's office transmitted to you the Commission's compliance order adopted November 1, 1990, evidencing approval of the above application which is in effect a transfer of the rights formerly held by Sam Collura (deceased), at A-00079909. The letter transmitting the order directs attention to the requirement for the filing of a tariff.

Pa. Code, Title 52, Section 23.13(c) provides that in the case of change of ownership, etc., if feasible to do so, the tariffs of the former operator shall be adopted by the new operator, and no change in rates is permitted to cover the transfer of rights.

In this instance it is not possible to meet the tariff requirements by the adoption of the former tariff for the reason that the present tariff's description of operating authority does not conform with the approval of this application.

It will be necessary, therefore, to file a new tariff which should be designated Freight Pa. P.U.C. No. 1. The tariff should name the same rates, rules and regulations as were filed by the former operator and may be issued to become effective on one day's notice under authority of Pa. Code, Title 52, Section 23.42.

Very truly yours,
Barry L. Ernst, Director
Bureau of Transportation
