Re: A-00109506, F.1, Am-C - South
Hills Movers, Inc.

Dear Mr. Vuono:

Under date of December 23, 1996, the Secretary's office transmitted to you the Commission's compliance order adopted December 19, 1996, evidencing approval of the above application which is in effect a transfer of a part of the rights formerly held by Leelease, Inc. at A-00107868. The letter transmitting the order directs attention to the requirement for the filing of a tariff.

Pa. Code, Title 52, Section 23.13(c) provides that in the case of change of ownership, etc., if feasible to do so, the tariffs of the former operator shall be adopted by the new operator, and no change in rates is permitted to cover the transfer of rights.

In this instance it is not possible to meet the tariff requirements by the adoption of the former tariffs for the reason that the transfer is partial in scope and it is, therefore, necessary to file a new tariff.

The new tariff may be issued to become effective on one day's notice under authority of Pa. Code, Title 52, Section 23.42 and shall be designated Freight Pa. P.U.C. No.5.

Dear Mr. Sataloff:

Please be advised that the petition filed by you on behalf of South Hills Movers, Inc., requesting permission to change the rates used by the former owner, since existing rates are antiquated and not compensatory, is thereby granted.

You are to file the proposed Tariff-Freight-PA P.U.C. No. 1, with an effective date that is one day following the issue date of your new tariff submission.

Very truly yours,

for Monroe H. Dove, Tariff Examiner
