In Re: A-00109506 – Rate Increase Request for South Hills Movers, Inc.

Dear Mr. Sataloff:

The Staff of the Bureau of Transportation and Safety (BTS) have instituted a review of the financial justification submitted in support of the proposed rate increase contained in the proposed tariffs for the above named motor carrier.

Our preliminary review of the material submitted reveals that we need additional information to properly evaluate the request as follows:

• Using a 26 foot van to compute impact on revenues is faulty. Show impact on revenues based on historical usage of different classes of vehicles under the new tariff structure.

Please be advised that in accordance with 66 Pa C. S. §1308(d), the tariffs are hereby suspended for a period not to exceed seven (7) months from May 11, 2004.

Should you have questions regarding the rate review process, please contact James Minder by writing to the address above or by telephone at 717-787-1168. Should you have questions concerning the filing, format or content of tariffs, please contact Mr. Monroe Dove by writing to the address above or by telephone at 717-787-5945.

Very truly yours, umes Minda
