3. Protestant is ready, willing and able to provide all or part of the services proposed herein, consistent with its operating authority and equipment.

4. Protestant specializes in the transportation of household goods under the operating authority issued to it in Docket No. A-82096. Attached hereto as Appendix B is a copy of the said operating authority.

5. Protestant's interest relates to subsection (d) of the application where the phrase "except that service may be provided to, from or between points in White Township and the Borough of Indiana, Indiana County". Protestant is currently providing substantial service to that area and if duplicating operations should be granted so as to permit the applicant to provide service there as well, it would have an adverse impact upon Protestant.

7. Protestant requests, pursuant to Section 333(c) of the Public Utility Code, that applicant furnish it with the names of supporting persons and/or shippers and a summary of their testimony.

Respectfully submitted,
