Re: A-00109547, F. 2 - Application of Reading Yellow Cab, Inc.

DJG

Dear Mr. Radcliff:

Your client's application was dismissed by letter dated January 24, 1995. Since the application was erroneously dismissed, we have determined it would be in the public interest to allow the application at folder 2 to be treated as a request for "property authority" which falls within the May 11, 1995, order at P-00940884.

The records have been reviewed and they indicate not all of the requirements have been met. Your client will be authorized:

To transport, as a motor common carrier, property, excluding household goods in use, between points in Pennsylvania.

Upon the filing of:

- (a) Form E evidence of bodily injury and property damage liability insurance which meets the coverage requirements of property carriers.
- (b) Form H evidence of cargo liability insurance or cargo waiver.

Your certificate of public convenience will be issued once all of the above-stated requirements are met.

If you do not comply with the above requirements within sixty (60) days of the date this letter is entered, your request will be dismissed without further action.

Very truly yours,

John G. Alford
Secretary
