This is a request for a continuance of my case against the Philadelphia Gas Company [Doc # F-2015-2491223]. I have been on disability for over four years after I had a life Changing fall. I recently tripped again and have been unable to walk. I have been under Doctors care since my first accident and usually I make appointments a month in advance, but because of this latest fall I had to take whatever time was open and the only time I can be seen is Tuesday 24th. I'm also currently trying to work out something with Wendy Vaga (Phila Gas Company) so court can be avoided. Sending a copy of the letter to Wendy Vaga and the Philadelphia Gas Company.
