In re: Energy Professionals, LLC notice of material change – Electric Generation Supplier License No. A-2012-2337763

Dear Ms. Chiavetta;

In connection with Energy Professionals, LLC's (the "Company") Electric Generation Supplier License; Application No. A-2012-2337763, please find the following update to the information found on the Application with respect to ownership of the Company.

At the time of the renewal application, the owner of Energy Professionals, LLC (Company) was FMR Management, Inc. On November 4, 2015, FMR Management, Inc. contributed 100% of its ownership interest in the Company to AGPB Holdings, LLC, a Delaware limited liability company ("AGPB"). AGPB is a holding company with no business operations.

AGPB then formed a new entity in the name of Quantum Energy Holdings, LLC ("Quantum"), a Delaware limited liability company, as part of a joint venture with GPB Energy Holdings, LLC ("GPB"), a Delaware limited liability company. Pursuant to the applicable operating agreement, AGPB contributed 100% of its ownership of the Company to Quantum for a 50% ownership position of Quantum. GPB made a cash contribution to Quantum for a 50% ownership position of Quantum. Quantum is a holding company with no business operations outside of the ownership of the Company.

Therefore, the new and current owner of the Company is Quantum, which is jointly owned in equal parts by AGPB and GPB. While GPB is represented on the Board of Directors of Quantum, it is not otherwise involved with any of the day-to-day operations of the Company. Matt Judkin will remain as the CEO of the Company. This change in corporate structure has not changed the day to-day operations of the Company.

In addition to the above, the following changes need to be made to our application – the corrected information will be entered below each question:
