SECRETARY'S BUREAU

Dear Madam Secretary,

Please accept this letter as a formal exception to the case of C-2015-2493947. I was hospitalized on the date of the hearing of 10/13/15. I contacted Judge Heep's office and also made contact with her staff member Ms. K. Niesbrorelly. She had informed my daughter that they would grant a continuance and I would be served with a new hearing date. I received no new hearing date, but in fact received a decision in the matter. I have been attempting to work the issue out with Renee Tarpley with PECO and she has not returned my emails to date. I am requesting another hearing date. I appreciate your assistance in this matter.

Kind regards,

Brenda Smith
