Re: Docket No. M-2015-2470485  
Bridge Carrying North Loop Road (T-392) over and above the  
Track of CSX Transportation Inc. (DOT 148 915 T), in West  
Mahoning Township, Indiana County

Dear Secretary Chiavetta:

I am writing this letter on behalf of my client Buffalo & Pittsburgh Railroad Inc. ("BPRR") in response to the Secretarial Letter issued on October 14, 2015, in this proceeding. In accordance with the Secretarial Letter, BPRR has, at its sole cost and expense, barricaded North Loop Road on each side of the bridge, and installed proper signage. By this letter, BPRR requests that the time for removal of the bridge (currently set for December 31, 2015) be extended.

On November 24, 2015, BPRR filed with the Commission, an application for approval of the abolition of the crossing. The application has been docketed at A-2015-2154790. The application requests a period of 120 days from the date that the Commission acts on the application. Delay in the removal of the bridge will allow the removal to be coordinated with the proposed abolition of the crossing. The delay would not endanger the travelling public as the road has been barricaded.

Accordingly, BPRR requests that the time for removal of the bridge be extended for a period of 120 days from the date that the Commission acts on the related application.

Please let me know if there are any questions regarding this filing. Thank you.

Respectfully,
