Dear Secretary Chiavetta:

The above application was granted by Secretarial Letter dated October 19, 2015, which provided that a Form E and a tariff had to be filed within 60 days from the date of the letter, or by December 18, 2015. The tariff has been filed but the Form E has not yet been filed. The reason for the delay in filing the Form E is that the applicant has encountered a problem in securing insurance since it will operate a larger vehicle for this service than it operates for its limousine service, where it already has evidence of insurance.

The purpose of this letter is to request a 30-day extension of time to January 18, 2016 to file the Form E in connection with this application. We are also sending a copy of this letter to the Compliance Chief of the Bureau of Technical Utility Services.

Sincerely yours,

VUONO & GRAY, LLC
