Dear Ms. Rosemary Chiavetta:

I am writing this letter to you to inform that the reason why insurance coverage has not been issued for the company is because as of November 6th I shut the business down. I didn't renew it because I couldn't get insurance for one thing no one was willing to work with me. There was other issues as well. Equipment braking down and no money to fix it.

In the long run I ran numbers and found that the best route for me was to just shut the business down. I hope this helps. Please let me know if you need anything else.

Thank you
