Re: Application of the Pennsylvania-American Water Company - Wastewater Division (PAWC-WD) for approval of (1) the transfer, by sale, of substantially all of the wastewater system assets and rights of Fairview Township to PAWC-WD, and (2) the right of PAWC-WD to furnish wastewater service to the public in a portion of Fairview Township, York County, Pennsylvania

Docket No.: A-2015-2486532

Dear Secretary Chiavetta:

Pursuant to Paragraph 4 of the Order entered on December 17, 2015, with respect to the above-referenced Application, Pennsylvania-American Water Company ("PAWC") provides the following information:

At the time of closing on this transaction, which occurred December 22, 2015, there were 214 non-residential wastewater customers. Two hundred ten (210) customers were issued volumetric-based bills and the remaining four (4) customers were billed a flat rate for their wastewater service. The bills were issued by Fairview Township on a quarterly basis. A copy of the ordinance enacted by Fairview Township establishing the billing protocol for non-residential wastewater customers is attached with this letter. Following the transaction closing, PAWC will continue to bill the non-residential wastewater customers under the same classification and at the same rate, but the bills will be issued on a monthly basis. Attached, also, is a copy of PAWC's Tariff Supplement which was filed earlier today.

If you have any questions, please do not hesitate to contact me. Thank you.

Sincerely,

Susan Simms Marsh
