Case # 2015 2462441

I am a Senior Citizen, I have no office, nor anyone working for me, that could have filed exceptions in this case.

I was in a bad accident in December 2015. I fell off a ladder, head first, and cracked all the ribs on one side, + 3 breaks in my feet. I am in terrible discomfort and pain. I was rushed to Presbyterian Hospital trauma center, and came home a week ago. I am in terrible pain and Mrs. can't do much about it. I take pills to get the pain edge off, but I have muscle pain + discomfort. It will take 6 to 8 weeks for pain to subside.

I am in no condition to think or file properly.

I read this decision. It is all distorted + out of what true facts are. The gist of this case is not in this decision. ~~Everything~~ Please grant me at least 30 day extension to file exceptions. Thank you

Respectfully
