**Re:** *Petition of Duquesne Light Company for Waiver of Certain Provisions of the Pennsylvania Public Utility Commission's Regulations at 52 Pa. Code § 54.4, 52 Pa. Code § 56.15(7), and 52 Pa. Code § 56.22(a)*

**Docket No. P-2014-2450281**

**Notice of Termination of Partial Temporary Waiver**

Dear Secretary Chiavetta:

In accordance with the Pennsylvania Public Utility Commission's January 29, 2015 Order ("Order") in the above-captioned proceeding, please accept this letter as the Notice of Duquesne Light Company ("DLC") that the partial temporary waiver of 52 Pa. Code § 54.4 granted by the Commission is no longer needed. DLC has completed the implementation of the system change to correct the intermittent issue underlying the temporary waiver. All customer bills are now printing with generation and basic service charges in the correct order, and DLC has not received any customer inquiries or complaints regarding this issue.

The other requirement from the Commission's January 29, 2015 Order related to DLC's method of calculating interest on customers' unpaid balances. In accordance with the Order, DLC filed a tariff supplement effective April 30, 2015 (Supplement No. 115 to Tariff Electric Pa. P.U.C. No. 24) which updated the tariff's language to revert DLC's processes back to the previous process of not applying interest to previously unpaid late payment charges.

Therefore, pursuant to Ordering Paragraph 7 of the Commission's January 29, 2015 Order in this matter, this docket can now be marked closed because 1) DLC has filed the tariff supplement to reflect that unpaid late charges will no longer be subject to monthly interest charges and 2) DLC has now filed notice that the partial temporary waiver of 52 Pa. Code § 54.4 is no longer needed.
