**Dated January 8, 2015**  
**Docket No. U-2015-2518573**

**Q1.** Please explain if the road repair agreement was made on August 17, 2015 as indicated on Page 1 of the Agreement or August 17, 2014 as indicated on Page 2 of the Agreement.

**A1.** The Road Repair Agreement was made on August 17, 2015 as indicated on Page 1 of the Agreement. The date indicated on Page 2 of the Agreement is incorrect.

**Q2.** Please explain any road repairs already completed in this Agreement, the party that did the road repair, the costs of the repair, and which party paid for the repairs.

**A2.** Please see the attached table.

**Q3.** Please explain which repairs are still incomplete, which party is expected to complete the remaining repairs and the time frame for completion.

**A3.** The only remaining repairs to be completed are indicated under Addendum No. 1 to the Road Repair Agreement. These repairs involve the grading and stoning of Lehigh Road. Pursuant to the agreement with Covington Township, PPL Electric will scarify and top Lehigh Road in the Spring of 2016, as indicated in Exhibit No. 1 of the Road Repair Agreement. These repairs were delayed as construction traffic and impact to the road was not as significant as originally anticipated.

**Q4.** Please provide the actual costs, or expected costs if not yet performed with supporting estimates, of the repairs for each project.

**A4.** Please see the attached table.
