Re: A-001092200-~~SEP~~

Dear Mr. Alford,

In a previous overnight letter dated July 27, 1992 I indicated I was unaware of our failure to comply with your order and that I needed the proper forms to complete. I never received a response until the cancellation notice was issued which prompted me to telephone you to request the forms that I did receive and am now submitting to you to request that you please reinstate our authority. I must apologize for the delay but it seems there was a slight communication problem that seems to be straightened out now. Thank you for your consideration and please call me if there are any questions.

Sincerely,

Michael Bradway
