**BY THE COMMISSION:**

The Commission on July 3, 1991, entered an order to show cause against the above-named respondent to show cause why the certificate of the above docket number should not be cancelled for failure to file a 1990 Annual Report within the prescribed time.

The Commission on October 17, 1991, made its order to show cause absolute and cancelled the certificate due to the continued failure of respondent to reply to the order to show cause or to fully satisfy the averments of the order to show cause.

Subsequently, it was determined that an annual report was filed with the Commission prior to our October 17, 1991 order.

Thus we have determined that the order cancelling the respondent's certificate should be rescinded and the order to show cause at A-00109220C911 be discharged; THEREFORE,

**IT IS ORDERED:** That our prior order dated October 17, 1991, cancelling the certificate of the respondent at the above docket number be and is hereby rescinded.
