Dear Secretary Chiavetta,

SECRETARY'S BUREAU

This letter is in response to the letter you received from Shawane Lee dated 1/13/2016

I would greatly appreciate it if you would allow me to clarify the situation.

Once we became aware that we needed to go to Boston to help our daughter with an emergency we sent letters to both the judge and the lawyer that were hearing our case. We sent these at least five days prior to the hearing date. I also spoke with Ms Lee's assistant who informed me that as soon as the judge updated the information she would notify me. However, we never heard from the judge, the lawyer or the assistant again.

Ms. Lee feels we are trying to avoid paying our bill. That is certainly not the case. We very much want to work out a reasonable

payment arrangement with Peco. Over the past 6 years our income has dropped drastically. we are struggling to pay our bills. Everytime Peco gives us a new agreement it is more than we can afford.

Any help would be greatly appreciated.

Sincerely,
Andrew Kosman
