Dear Mr. Pike:

This letter is my request to you for an extension of thirty (30) days for the filing of verified statements in the above application proceeding. The shipper's representative has gone on vacation just as the draft of his verified statement was being completed.

This morning I left a telephone message for you regarding this request for extension and I am following up with this letter request for your file. I understand that, in accordance with past practice, the extension will be approved until April 13, 1992.

Thank you for your cooperation in this matter.

Very truly yours,

David H. Radcliff
