Re: A-00109373, F.1, Am-A - Roan's Transfer
and Storage, Inc.

Dear Mr. Pillar:

Under date of February 1, 1999, the Secretary's office transmitted to you the Commission's compliance order adopted January 28, 1999, evidencing approval of the above application which is in effect a transfer of the rights formerly held by Trengo, Inc. at A-00095344. The letter transmitting the order directs attention to the requirement for the filing of a tariff.

In this instance it is not possible to meet the tariff requirements by the adoption of the former tariff for the reason that the present tariff's description of operating authority does not conform with the approval of this application.

It will be necessary, therefore, to file a new tariff which should be designated Freight- Pa. P.U.C. No. 2. The tariff should name the same rates, rules and regulations as were filed by the former operator and may be issued to become effective on one day's notice under authority of Pa. Code, Title 52, Section 23.42.

Very truly yours,

William Hoshour, Supervisor

Please be advised that the petition filed by you on behalf of Roan's Transfer and Storage, Inc., requesting permission to change the rates used by the former owner, since existing rates are antiquated and not compensatory, is hereby granted.

You are to file the proposed Tariff - Freight - PA P.U.C. No. 2, with an effective date that is one day following the issued date of your new tariff submission.

Very truly yours,
