■ In re: A-00109226, F. 1, Am-F - Application of Gabler Trucking, Inc.

Dear Mr. Zielonis:

The above referenced application has been assigned for review without an oral hearing. In order to reach a determination on the application, you are being required to file verified statements in accordance with 52 Pa. Code §3.381(e)(1). You will be required to file:

- A. VERIFIED STATEMENT OF APPLICANT.
- B. VERIFIED STATEMENTS IN SUPPORT OF APPLICATION.

The verified statements should be in paragraph form. Each heading contained in the attached minimum outline should be a separate section or paragraph.

You should be aware of the fact that the verified statements will be reviewed based on the Commission's decision in the Application of Bluebird Coach Lines, Inc. A-00088807, F. 2, Am-K, which indicates: (1) the supporting witnesses must give evidence which is probative and relevant to the application proceeding; (2) the supporting witnesses must identify Pennsylvania origin and destination points between which they require transportation and those points must correspond with the scope of the operating territory specified in the application including requests for vice versa authority; and (3) the number of witnesses which will represent a cross section of the public on the issue of need will vary with the breadth of the intended territory and commodity description.

You are being granted an initial thirty (30) days to file verified statements. They will be due on or before September 7, 1993.

If additional time is required, it may be requested by telephone but must be followed in writing with the reasons for the extension stated.

Questions about your application should be directed to Richard H. White (717) 787-4387.

Very truly yours,

Richard H. White
