**STATEMENT OF
COMMISSIONER PAMELA A. WITMER**

This matter was previously on the agenda for the Public Meeting on December 17, 2015. At that time, Shelby Linton-Keddie served as counsel on my staff prior to her departure from the PUC and acceptance of a position with Duquesne Light. Therefore, to avoid any appearance of impropriety, I wish to note that I have not been advised by Shelby Linton-Keddie regarding this matter.
