RE: *X5 OpCo LLC's Application for Approval to Offer, Render, Furnish or Supply Telecommunications Services to the Public as a Competitive Local Exchange Carrier in the Commonwealth of Pennsylvania*
Docket No. A-2015-2521376

To whom it may concern:

On December 30, 2015, X5 OpCo LLC's ("X5 OpCo") filed its *Application for Approval to Offer, Render, Furnish or Supply Telecommunications Services to the Public in the Commonwealth of Pennsylvania as Competitive Local Exchange Carrier* ("Application") and served a copy of the Application on CenturyLink. The Application incorrectly indicated that X5 OpCo was seeking CLEC certification in CenturyLink's service territory.

This letter will confirm that X5 OpCo is not seeking certification in CenturyLink's service territory. Enclosed herewith are copies of revised Application pages that are being filed with the Pennsylvania Public Utility Commission to confirm that X5 OpCo is not seeking certification in CenturyLink's service territory.

Thank you, and please do not hesitate to contact me if you have any questions.

Best regards,
