EXCEPTIONS RE : Lombard vs. PECO Energy C-2015-2478086

Your honorable Judge Darlene D.Heep,

I have received the decision of the Pennsylvania Public Utility Commission and therefore would like to file exceptions to the case.

I do understand and respect the decision made by the PUC for my request since I have defaulted previously on my payment arrangements. However due to the serious illness of my daughter I have decided not to proceed with a reevaluation of her as this could cause or trigger another effect on her. (see Robin Williams case).

I have continued with my regular payments on time and will promise to do so , my last request would be to ask the commission for holding the collection at least until the winter season is over (3/21/2016).

I highly disagree with the abuse of process (stated in your letter) , I do believe that all my complaints were reasonable and substantial enough to initiate a formal complaint. I am not an attorney but I certainly know my rights regarding my defenses.
