Re: Pennsylvania Public Utility Commission, Bureau of Investigation and Enforcement v.  
Royal Transportation, LLC.  
Docket No. C-2015-2494322

Dear Secretary Chiavetta,

My name is Luis Osorio owner of Royal Transportation, LLC. I want to apologize for the delay in payment of the assessment's in question by the BIE. Yes, the assessments were ever taking care in the proper matter.

I was diagnosed with Hodking's Lymphoma about 2 ½ years ago. While in treatment I have hired a general manager full time to oversee operations of the business. Unfortunately, business was not conducted in a proper matter while my absence. Upon My return in October 2015 I was not aware of any issues with PUC or with any other vendors. The first time notify of this issue was on January 8<sup>th</sup> 2016.

Unfortunately, I was left in a very bad financial situation by my so call general manager and I'm not able to pay the full amount of the motion in question. What I can do is do 3 equal payments (see copy of enclosed checks) for the months of Feb, March and April to resolve any issues and to keep operation my business on a day to day basics.

I will like to thank you for your time and consideration to this matter and I hope we can resolve this matter as soon as possible.

A copy of this letter and checks will be mail to Prosecutor Stephanie Wimer at her office.

Please feel free to contact me with any questions and/or with the decision on this matter.

Best Regards,

Luis Osorio
