Re: Janice deHoff v. PPL Electric Utilities Corporation  
Docket No: F-2015-2473981

Dear Ms. Krupka:

Under Rule 4009.11 of the Pennsylvania Rules of Court (Request upon a Party for Production of Documents and Things), I ask the PPL Corporation to produce the following:

1. Please produce a copy of the fix form that PPL incorrectly claims that I sent and signed in the 06/17/2014 entry of PPL's Exhibit 3 ("Informal Case Review"), which states, "The Company received the completed 'fix form' from Janice Dehoff...Janice Dehoff signed the form..."

2. Please provide confirmation of date, time and location of the sender of the fix form received by PPL on June 17, 2014.

3. The 5/24/2014 entry in PPL's Exhibit 3 states, "Janice requested that we fax a copy of the 'fix form.'" Please produce the fax number of the recipient.

Sincerely,

  
Janice Wideman de Hoff

Re: Janice deHoff v. PPL Electric Utilities Corporation  
Docket No: F-2015-2473981

Dear Ms. Krupka:

Please mail me a copy of the fix form that PPL incorrectly claims that I sent and signed in the 06/17/2014 entry of PPL's Exhibit 3 ("Informal Case Review"), which states, "The Company received the completed 'fix form' from Janice Dehoff...Janice Dehoff signed the form..." My name isn't even spelled correctly.

And please provide confirmation of date and time and sender.

I also dispute the 5/24/2014 entry in PPL's Exhibit 3, which states that, "Janice requested that we fax a copy of the 'fix form.'" Please produce the fax number of the recipient.

Exhibits 1-3 were introduced into this proceeding by Attorney Graig Schultz on September 10, 2015 and received by me on September 14th, two days before a scheduled hearing.

Reading Exhibit 3 was a shock. Forgery is a felony and far more serious than anything I anticipated dealing with.

On September 19th, I sent a letter to Atty. Schultz requesting "a copy of this completed 'fix form' and the number to which any fax was sent on 5/24/2014.

On September 21st I left two phone messages to Attorney Krupka and sent a letter September 22nd requesting "a copy of the completed 'fix form,'" the number of the sender, and the number of the recipient on 5/24/15, confirming earlier request by phone.

I didn't receive as much as the return of a phonecall from PPL after September 19th mailing. So I withdrew these requests by letter to Attorney Krupka on October 2nd and sent my "October 2, 2015 Agreement Effort" to the Secretary for filing October 5th. The enclosed copy contains September 19th, September 22nd, and October 2nd letters and 4 pages of PPL's Exhibit 3

I expected a response to this Agreement Effort. My disputes with PPL's records were obvious. I hoped that I could get the facts in a two-party agreement indemnifying all involved. I can excuse this once but never again.

My only response was PPL's Second Certificate of Satisfaction, confirming its records as they stand and allowing a second signing of my name without any way to reference the first.

My October 2, 2015 Agreement Effort was nullified by PPL's Second Certificate of Satisfaction on November 25, 2015.

Simplifying matters by eliminating any question of billing to me from May 9, 2014 onward and withdrawing my requests failed to elicit a response. October 2nd letter provided the only valid signature from me authorizing May 9th date initiating service.

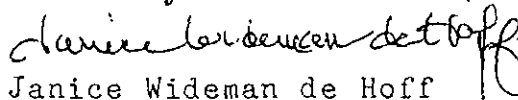

I am no longer willing to "accept" The May 9th date. I didn't sign the fix form authorizing this date for new service in my name. The request for service signed by me and sent twice on 06/17/14 is absent from PPL's Exhibit 3.

Therefore, I am authorizing new service in my name on today's date and ask to be reimbursed for the \$1,695.81 I've paid to Account # 59320-52166, which was fraudulently assigned to me by the signature of someone else.

A foreign load was found on my meter on April 22, 2014. Because both PPL and the owners have a vested interest in signing for the tenant, the tenant's signature is required on a fix form.

I ask that PPL produce the fix form on which all service and payments to Account # 59320-52166 depend and to substantiate its claims on 06/17/14 and 05/24/14 in PPL's Exhibit 3 .

Sincerely.
