RE: Docket #C-2016-2522256  
Utility #A-8911655

In reference to the above complaint, please be advised that:

- There has been no lapse in our insurance coverage
- Our insurance premium has been paid and coverage is in force
- The insurance company failed to provide the commission Form E proof of coverage in a timely manner

The insurance company has filed the necessary forms effective December 9, 2015 and our company is in compliance with the required evidence of insurance, which is now on file with the commission. Please review and waive the \$500 penalty fee.

Sincerely,  
B.S. Haulers, LLC

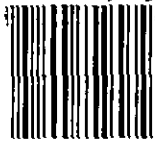

Jeffrey Sechrist
